# Five Cheeky Monkeys - Key Signs

## For numbers 1 - 5

Use natural gesture, by holding up appropriate number of fingers

## MONKEY -

Natural gesture - hands clawed scratch at sides.

## JUMPING -

Extend dominant index and middle fingers up on palm of open non-dominant hand.

*Sign may be varied for jumping on, off, ever, etc.*

## BED -

Place open dominant hand against side of face. Tilt head to dominant side

## FALL (FELL OFF)-

Place extended index middle fingers on palm of non-dominant hand. Turn dominant hand over to rest on palm of non-dominant hand.

## BUMPED HIS HEAD - Use natural gesture

e.g. Lightly tap open dominant palm on head

## CALLED-

Extend dominant little finger and thumb. Hold formation at side of head. (Natural gesture)

## DOCTOR -

Extend dominant thumb, index and middle fingers - hold non-dominant wrist with dominant hand formation.

## SAID/SAY-

Move tip of extended dominant index finger away from corner of mouth.

## NO-

Shake dominant fist sideways in front of body.

Instructions: Point to the pictures of 'key words' at the same time as singing the song. Have fun!
