

# Uniting SIL services in Eastern and Southern Melbourne transition to Scope Aust.

Welcome – Families and representatives

# Let's talk about Scope

- We are one of the largest not-for-profit disability service providers in Australia.
- We are passionate about providing high-quality disability support services and specialise in supported independent living services.
- Our promise is to support customers to live the life they want.
- We care about safety – in fact, it's our priority.

# Welcome from Dr Jenny Fitzgerald AM

# Getting to know your family member

- We are looking forward to getting to know your family member and to work together to help them reach their goals.
- We know their home is important to them.
- We are keen to listen to you and your family member and to best understand how we can support them.

# Your family member's transition to Scope

- We are working with Uniting to ensure seamless, ongoing support for your family member.
- We also understand how important your family member's team of support workers are to them. We are also talking with Uniting support workers to transition to Scope.
- Your family member's services will continue as normal. The only change is that they will join the Scope community.

Grosvenor St.

# What's next?

- It is important that we can learn more about how we can support you family member.
- With consent and with the support of Uniting, we will formalise transitioning their support services to Scope.
- From Monday 22 November, we look forward to welcoming your family member to the Scope family.
- We encourage your feedback to improve the support we provide.
