

Adult Short Term Accommodation and Assistance

Belmont

Ages:
18 - 65

Bedrooms:
6

Fully Accessible

Scope has provided services to people with a disability and their families for over 70 years.

Adult Short Term Accommodation and Assistance (STAA) Services

Whether your goal is to learn new skills, meet new people, or to enjoy a short break, staying at Scope's STAA can make it happen.

What's on offer

- Welcoming and safe environment
- Meet new people and try fun activities
- Increase your independence
- Develop new skills to achieve your goals
- Experienced and caring staff

This property is suitable for adults and is open during the week and on weekends - including overnight stays.

Staff are highly experienced and trained to provide individualised support to customers with a wide range of disabilities and specific health needs. This includes physical support assistance, medication administration, mealtime assistance, personal care assistance, behaviour management support, communication support and assistance to achieve personal goals. We also provide customers with a summary of their stay after each visit.

Scope is a registered NDIS provider and all staff undergo a screening process, which includes a Working with Children and NDIS Worker Screening Check.

Belmont STAA features

- 6-bedroom, modern, spacious, fully-accessible house
- Large shared lounge, dining and kitchen
- Fitted out with manual handling equipment, including fixed overhead hoists in 3 of the bedrooms and hi-lo beds in all bedrooms
- Yard with undercover patio, BBQ, basketball hoop and outdoor seating

Funding

Please ensure that funding for short term accommodation services is available in the core supports sections of your NDIS plan. Rates will be charged as per the NDIS price guide.

We can help you understand the STAA funding available to you and your NDIS plan. We can also provide you with a quote for services at your request.

Contact us for more information about how you can access our STAA services.
