

# B I N G O

## *Instructions*

You must be silent to play this game.

You can use different ways to communicate. For example, write things down, use your mobile phone or iPad.

You may fill out your own bingo with the list provided.

You will need to fill out a different name in each square or cross it out.

When you have completed each square, communicate “bingo” but remember to be silent. You may use a device that speaks.
